We recognize each other
handwriting much the
way we remember a
face and how often
do we say "I know
that handwriting"

AQUARELL

The Pen Shoppe Founder, Bruce Nichol

Bruce A. Nichol opened his first specialist writing instrument shop in Brisbane in 1980. His background in antiques and collectibles as well as engineering and banking gave him the qualifications to create a sound service based retail business. His eye for beauty and order expressed itself as "a place for everything and everything in its place". Maintaining this philosophy is the guiding principle of daily work in our pen shops in Brisbane & Sydney.

The theme of travel is the focus of this years catalogue featuring Eric Victor's visual magic and web / graphic design by Carl Somers.

We are always happy to be of service, Regards
Barbara Nichol and Staff
